

# HOSPICE HEROES

Help Hospice in the Home remain free and easily accessible to the local community

## WARRNAMBOOL & DISTRICT COMMUNITY HOSPICE

Warrnambool & District Community Hospice helps **local people** with life-limiting conditions spend their final days in the comfort and familiarity of home.

We operate Hospice in the Home, a free community service that is powered by **local volunteers** and funded through the generosity of the **local community**.

## HOSPICE HEROES

**Hospice Heroes** is an annual giving program that allows local businesses and community groups to support Hospice in the Home and be recognised for their contribution.

In acknowledgment of their support **Hospice Heroes** receive benefits according to the level of their support.

**When becoming a Hospice Hero you can be assured that your support will directly benefit people in your local community.**
